[5th April, 1917.]

WHEREAS the raising or keeping of a standing army within the United Kingdom of Great Britain and Ireland in time of peace, unless it be with the consent of Parliament, is against law: A.D. 1917.

And whereas it is adjudged necessary by His Majesty and this present Parliament that a body of forces should be continued for the safety of the United Kingdom and the defence of the possessions of His Majesty's Crown, and that the whole number of such forces should consist of five million, including those to be employed at the depots in the United Kingdom of Great Britain and Ireland for the training of recruits for service at home and abroad, but exclusive of the numbers actually serving within His Majesty's Indian possessions:

And whereas it is also judged necessary for the safety of the United Kingdom, and the defence of the possessions of this realm, that a body of Royal Marine forces should be employed in His Majesty's fleet and naval service, under the direction of the Lord High Admiral of the United Kingdom, or the Commissioners for executing the office of Lord High Admiral aforesaid:

And whereas the said marine forces may frequently be quartered or be on shore, or sent to do duty or be on board transport ships or vessels, merchant ships or vessels, or other ships or vessels, or they may be under other circumstances in which they will not be subject to the laws relating to the government of His Majesty's forces by sea :

And whereas no man can be forejudged of life or limb, or subjected in time of peace to any kind of punishment within this realm, by martial law, or in any other manner than by the judgment of his peers and according to the known and established laws of this realm; yet, nevertheless, it being requisite, for the retaining all the before-mentioned forces, and other persons subject to military law, in their duty, that an exact discipline be observed, and that persons belonging to the said forces who mutiny or stir up sedition, or desert His Majesty's service, or are guilty of crimes and offences to the prejudice of good order and military discipline, be brought to a more exemplary and speedy punishment than the usual forms of the law will allow:

And whereas the Army Act will expire in the year one thousand nine hundred and seventeen on the following days:— 44 & 45 Vict.

MY LORD DUKE,—

I have the honour to transmit to Your Excellency, for the information of Your Ministers, copies of Royal warrants amending the rules governing the award of the Albert and Edward Medals.

2. It will be seen that the bronze medals in each case, which are those generally awarded, will in future be called the "Albert Medal," and the "Edward Medal," respectively and that the higher degree of each decoration,

which is given only for acts of extreme and heroic daring, will be known in the one case as "the Albert Medal in Gold," and in the other as "the Edward Medal in Silver."

I have the honour to be,
My Lord Duke,
Your Grace's most obedient, humble servant,

Governor General
His Excellency

GEORGE, R. I.

GEORGE THE FIFTH, by the Grace of God, of the United Kingdom of Great Britain and Ireland and of the British Dominions beyond the Seas, King, Defender of the Faith, Emperor of India, to all to whom these presents shall come,—Greeting:—

WHEREAS Her late Majesty Queen Victoria, being desirous of distinguishing by some mark of Her royal favour the many heroic acts performed by mariners and others who endanger their own lives in saving or endeavoring to save the lives of others from shipwrecks and other perils of the sea; and the many heroic acts performed on land by those who endanger their own lives in saving or endeavouring to save the lives of others from accidents in mines, on railways and at fires, or other peril within Her Dominions, other than perils of the sea, did, by warrants under the royal sign manual bearing date respectively the 7th March, 1866, the 12th April, 1867, and the 30th April, 1877, for Herself, Her heirs and successors, institute and create as a mark of Royal approbation of such heroic acts, new decorations styled respectively "The Albert Medal of the First Class" and "The Albert Medal of the Second Class," which decorations Her Majesty was desirous should be highly prized and eagerly sought after;

And whereas the said warrants were subsequently amended and all the warrants relating to these decorations were consolidated by a warrant under the sign manual bearing date the 5th June, 1905;

And whereas it is Our pleasure to amend the style of the said decorations,—

We are graciously pleased to make, ordain and establish the following rules and ordinances for the government of the decorations:—

I. It is ordained that the decoration in each case shall be styled "The Albert Medal"; but when it is awarded for acts of such extreme and heroic daring as to merit a special degree of recognition, it shall be styled "The Albert Medal in Gold."

II. It is ordained that the Albert Medal shall consist of a bronze oval-shaped badge or decoration, having in the centre a monogram composed of the letters V. and A. erect upon an enamelled background, surrounded by a Garter inscribed in raised letters "For Gallantry in Saving Life at Sea, or "For Gallantry in Saving Life on Land," as the case may be, and surmounted by a representation of the Crown of His Royal Highness the lamented Prince Consort; but where the medal conferred is "The Albert Medal in Gold," it shall consist of a gold oval-shaped badge or decoration having in the centre a monogram composed of the letters V. and A. erect in gold upon an enamelled background, surrounded by a garter in bronze inscribed in raised letters of gold "For Gallantry in Saving Life at Sea," or "For Gallantry in Saving Life on Land," as the case may be, and surmounted by a representation in gold of the Crown of His Royal Highness the lamented Prince Consort. When the medal is given for gallantry in saving life at sea, the letters V. and A. shall be interlaced with an anchor erect in bronze or gold, as the case may be.

The medal shall be suspended from a riband of an inch and three-eighths in width, having two white longitudinal stripes; in the case of the "Albert Medal in Gold" the riband shall have four white longitudinal stripes.

The colour of the enamel and riband shall be dark blue when the medal is conferred for gallantry in saving life at sea, and crimson when it is conferred for gallantry in saving life on land.

III. It is ordained that the medal shall only be awarded to those of Our faithful subjects who, in saving or endeavouring to save the lives of others from perils at the sea, or from perils on land, have endangered their own lives, and that such award shall be made only on a recommendation to Us by Our Principal Secretary of State for the Home Department.

Provided always that where the medal is conferred for gallantry in saving life at sea, the preliminary steps and inquiry shall, if the award be to anyone belonging to the Royal Navy or the Royal Marines, be with the Lords Commissioners of the Admiralty, and in other cases with the President of the Board of Trade.

IV. It is ordained that the names of those persons upon whom We may be pleased to confer the medal shall be published in the *London Gazette*. Where the medal is conferred for gallantry in saving life on land a register of such names shall be kept in the office of Our Principal Secretary of State for the Home Department. Where the medal is conferred for gallantry in saving life at sea a register of the names of such of these persons as belong to the Royal Navy or the Royal Marine shall be kept in the office of the Lords Commissioners of the Admiralty, and a register

of the names of such of these persons as do not belong to the Royal Navy or the Royal Marines shall be kept in the office of the Board of Trade.

V. It is ordained that the medal shall be worn suspended from the left breast.

VI. It is ordained that any act of gallantry which is worthy of recognition by the award of the Albert Medal, but is performed by one upon whom the decoration has already been conferred, may, on a recommendation to Us by Our Principal Secretary of State for the Home Department, be recorded by a bar attached to the riband by which the medal is suspended; and for every such additional act an additional bar may be added.

VII. In order to make such additional provision as shall effectually preserve pure these most honourable decorations, it is ordained that if any person on whom any of such decorations is conferred be guilty of any crime or disgraceful conduct which in Our judgment disqualifies him for the same, his name shall, by an especial warrant under Our royal sign manual, be forthwith erased from the register of those upon whom the said decoration shall have been conferred, and his medal shall be forfeited. And every person to whom the said medal is given shall before receiving the same enter an engagement to return the same if his name shall be so erased as aforesaid under this regulation. It is hereby further declared that We, Our heirs and successors shall be the sole judges of the circumstances demanding such expulsion. Moreover, We shall at all times have power to order that any person who may at any time have been expelled shall be restored to the enjoyment of the decoration.

VIII. The warrant of the 5th June, 1905, is hereby revoked.

GIVEN at Our Court at Saint James's, this twenty-eighth day of August, one thousand nine hundred and seventeen, in the eighth year of Our reign.

MY LORD DUKE,—

I have the honour to request Your Excellency to inform your Ministers that the following public notice has been issued with regard to beare securities seized in enemy occupied territory:

“In view of the danger that bearer securities left by allied subjects in territory temporarily occupied by the enemy may have come unlawfully into the possession of enemies who may attempt to cash the coupons or realize the securities, the Lords Commissioners of His Majesty's Treasury desire to draw the attention of all public companies in the United Kingdom who have issued bearer securities to the necessity for taking the strictest precautions against any evasion of the existing regulations in regard to the cashing of coupons, and to dealings in securities, which have not been continuously in physical possession in the United Kingdom since 30th September, 1914. While those regulations are in force and are strictly adhered to the rightful owners of such securities will be safeguarded in this country against any action by the enemies into whose hands the securities have passed. His Majesty's Government are considering in consultation with the Allied Governments what steps should be taken to deal with the problem when the existing restrictions come to be removed.”

MY LORD DUKE,

With reference to my despatch No. 607 of 17th September, I have the honour to transmit to Your Excellency, for the information of Your Ministers,

copies of a circular letter issued by the War Office with regard to the standard of qualification to be observed in respect of recommendations for the award of the Albert Medal, the Edward Medal and the Meritorious Service Medal.

2. The observations of the Army Council have particular reference to acts of valour performed at bombing or other schools where the training is of a dangerous nature.

I have the honour to be, etc.,

Governor General
His Excellency

WALTER H. LONG.

The Duke of Devonshire, K.G., G.C.V.O., etc., etc.

WAR OFFICE, 201 GREAT PORTLAND STREET,
LONDON, W.I., 15th September, 1917.

SIR,—I am commanded to inform you that the Council have recently had under consideration a large number of recommendations for the award to officers and other ranks of the Albert Medal, the Edward Medal and the Meritorious Service Medal under Article 1227, Royal warrant, as amended by Army Order 45 of 1917.

2. It appears to the Council that these recommendations show considerable want of uniformity as to standard, and that it is not generally understood that the Albert and the Edward Medals are only awarded for acts of gallantry of a very high standard equivalent, so far as it is possible to make a comparison, to those services which in the field are considered worthy of the Victoria Cross.

3. No names will be considered for the Albert or Edward Medal unless the standard of gallantry is of such nature as to attain to the level of acts of valour which, if performed on military service, merit the Victoria Cross. These considerations can only be comparative and though the comparative services may be widely divergent, the elements of determination and bravery displayed, viewed generally in conjunction with the attendant circumstances, enables a comparison to be made.

Exceptional initiative or voluntary entrance into, or continued submission to exceptional dangers, are the outstanding features of acts which win the Victoria Cross—acts which have gone beyond obedience to the necessarily insisted demand of self-preservation—and unless equivalent elements exist in cases put forward for the Albert Medal or Edward Medal, recommendation can hardly be justified.

4. It does not appear desirable that the Albert Medal, the Edward Medal or the Meritorious Service Medal, should be awarded for services which, though undoubtedly gallant, are in many instances inseparable from the responsibilities connected with the appointment of the individual and in respect of incidents at bombing schools in particular, there is a tendency for recommendations to become stereotyped.

5. When considering recommendations for the Albert Medal, the Edward Medal and the Meritorious Service Medal, the following conditions receive the close attention of the Army Council, viz:—

- (a) The responsibilities of the individual, having regard to the duties of his appointment.
- (b) To what extent has the act or action gone beyond obedience to the instinct of self-preservation?
- (c) Would the act, had it been performed in the stress of battle, have attracted sufficient attention to justify recommendation for reward? In other words, is every officer or soldier who picks up and casts away an enemy unexploded bomb to be rewarded?

6. To exemplify (a) of the preceding paragraph, the duties of a fireman may be conveniently quoted as an analogous example. Like the instructor at a bombing or other school where training is of a dangerous nature, he has constantly to face exceptional risks. Experience and expert knowledge, coupled with confidence in the manufacture of weapons or material, result in these risks not only being regarded in a far less formidable light, but also being in fact less formidable than would be the case if the risks had to be faced by an untrained man.

In regard to bombing instructors particularly, it must be borne in mind that little option remains for the instructor but to remove the source of danger as speedily as possible.

7. It is to be pointed out that for services of a gallant nature not in the presence of the enemy, the undermentioned forms of reward, other than promotion, present themselves.

(A) *Official Medals.*

- (i) Albert Medal for saving life on land (two classes).
- (ii) Edward Medal for saving life from mines and explosions where there is a danger of asphyxiation.
- (iii) Albert Medal for saving life at sea (two classes).
- (iv) Board of Trade Medals (silver and bronze) granted for saving life at sea in cases which are not of the standard required for the Albert Medal.

(v) Meritorious Service Medal, with additional pension.

(vi) Meritorious Service Medal.

(v) and (vi) are granted only to warrant officers, non-commissioned officers and men on account of gallant conduct in the performance of military duty otherwise than in action, or in saving lives of officers or soldiers.

(B) *Non-official Medals.*

(i) Royal Humane Society awards (silver and bronze medals, also testimonials on vellum and parchment), granted for rescues and attempted rescues:—

(a) From drowning in rivers, lakes, etc.

(b) From dangerous cliffs.

(c) At sea, in British, Indian and in Colonial waters where a Humane Society does not exist.

(d) On the Coast of the United Kingdom, in cases which do not come within the charter of the Royal National Lifeboat Institution.

(e) From asphyxia in mines, wells, sewers, etc.

(ii) The Stanhope gold medal granted by the Royal Humane Society, in addition to the above awards for the bravest act of the year.

(iii) The medals of the Royal National Lifeboat Institution (gold and silver).

NOTE.—Any of the above non-official medals may be accepted and worn in addition to one of the official medals awarded in respect of a particular act of bravery.

8. The recommendation for a reward should not particularise the award unless there are outstanding features which render such a course desirable. In all cases, however, where the grant of the Meritorious Service Medals is applicable, it should be stated whether, in the event of that medal being awarded, the grant of the additional pension is recommended.

9. I am to request that you will issue such instructions as may be considered necessary to ensure that due attention may be given to the points now brought to notice.

I am, sir,

Your obedient servant,

R. H. BRADE.

PROCLAMATIONS AND ORDERS

OF THE

GOVERNOR GENERAL IN COUNCIL

HAVING FORCE OF LAW

OTTAWA

PRINTED BY JOSEPH de LABROQUERIE TACHÉ
LAW PRINTER TO THE KING'S MOST EXCELLENT MAJESTY
ANNO DOMINI 1918

CANADIAN ORDERS IN COUNCIL

Board of Review on Separation Allowance.

P.C. 447—February 16, 1917—The Committee of the Privy Council have had before them a report, dated 13th February, 1917, from the Minister of Militia and Defence, representing that some eighty to one hundred applications for separation allowance are received daily. These applications emanate from dependents (resident in Canada) of soldiers who have proceeded overseas and do not thus come through the regular channels.

The Minister submits that it is essential that such cases should be carefully considered on their merits.

The Minister states that it is often necessary to institute exhaustive inquiries as to the status of the applicant to determine whether entitled to receive separation allowance; that an experienced military official is at present dealing with these cases, and by his report it is decided whether separation allowance can be properly paid.

The Minister further states that in addition to the type of cases referred to above, others come under review that may be classified as follows:

- (a) Reports on the conduct of a beneficiary, raising the question as to whether or not the payment of separation allowance should be stopped from a certain date.
- (b) Reports on a change in the status or in the conduct of the beneficiary raising the question as to whether the payment of separation allowance, already stopped, should be resumed.
- (c) Applications not strictly coming under the regulations (such as the application of a soldier's mother whose husband is bedridden.)

The Minister having regard to the multiplicity of issues involved in dealing with these applications, is of opinion that they should be adjudicated upon by officials learned in the law, rather than by a military officer, however experienced.

The Minister, therefore, recommends that a board be constituted to sit in Ottawa, upon which shall rest the responsibility of considering and deciding upon the validity of all applications, not received through the usual channels, that appear to conform to the regulations and of preparing for submission to the Governor General in Council, recommendations on all other applications, together with such a report on each case as may be deemed necessary.

The Minister further recommends that the said board do consist of a field officer as president, a captain (both capable lawyers, and, if possible, such as have returned from the front, medically unfit), and a representative of the Canadian Patriotic Fund, to be nominated by that body as an associate member in an advisory capacity only, such board to be known as "The Board of Review on Separation Allowance."

The Minister observes that all correspondence bearing on cases coming within the jurisdiction of the board would be forwarded by the officer in charge of the Separation Allowance and Assigned Pay Branch to the president of the board, who would be charged with the duty of communicating all decisions of the board to the officer in charge Separation Allowance and Assigned Pay Branch.

It is anticipated that with the formation of such a board the course of business will be expedited to the better satisfaction of all concerned.

The Committee concur in the foregoing and advise that authority be granted to constitute a board as above recommended.

Vide Canada Gazette, vol. li., p. 1583.

P.C. 2501—September 13, 1917—The Committee of the Privy Council have had before them a report, dated 6th September, 1917, from the Minister of Militia and Defence, submitting that by Order in Council of 16th February, 1917, (P.C. 447), "Board of Review on Separation Allowance" was considered to sit at Ottawa.

The Minister recommends in view of the fact that it is considered advisable that the above-mentioned board should have the responsibility of considering and deciding upon the validity of certain classes of cases not delegated to them under the above mentioned Order in Council, that the said board do consist of two military officers, and a representative of the Canadian Patriotic Fund, as an associate member in an advisory capacity only; that the said board be known as "The Separation Allowance Board," and that the said board shall have the following responsibilities and powers:—

2. Preparing recommendations on all applications not conforming to the regulations, but which appear to the board to be cases in which grave injustice would be done if separation allowance were not granted, together with a report on each case, said cases to be considered and decided by the Deputy Minister of Militia and Defence and the Accountant and Paymaster General acting in conjunction with the said board.

3. Deciding all cases of "sole support."

4. Deciding all cases under paragraphs 19, 20, 30, 33, 35 and 36 of Order in Council of 25th August, 1917. (P.C. 2375).

5. Authorizing the payment of separation allowance or assigned pay, or both, to a dependent, who, prior to the death of the officer or soldier, was not in receipt of any such payments.

6. Authorizing and transfer of assigned pay or any portion of it from the dependent in receipt of separation allowance to another dependent or to a person who is not a dependent if in the board's opinion there are good reasons for so doing.

7. Authorizing a compulsory assignment of pay in favour of a wife or children of an officer or soldier where the circumstances in the opinion of the board warrant such action being taken, the amount in such cases not to exceed fifteen days' pay of rank, working pay and field allowance excluded.

8. Appointing an interim guardian for the children of an officer or soldier, pending the appointment of one in writing by the officer or soldier himself, satisfactory to the board.

9. Authorizing the continuance of separation allowance or assigned pay or both to a dependent of a deceased officer or soldier for a period not exceeding three months after the expiration of the limit fixed in paragraph 18 of Order in Council No. 2375 of the 25th August, 1917.

10. Authorizing the discontinuance of separation allowance or assigned pay or both to a dependent not eligible for pension and transferring same to a dependent whom the board of Pension Commissioners consider eligible for pension.

11. Deciding all other applications and questions concerning separation allowance which the officer in charge of the Separation Allowance and Assigned Pay Division may desire to refer to the board.

The Minister further recommends that the Order in Council of 16th February, 1917, (P.C. 447) in so far as it conflicts with this Order in Council, be cancelled.

The Committee concur in the foregoing recommendations and submit the same for approval.

REGULATIONS GOVERNING THE ISSUE OF SEPARATION ALLOWANCE FOR THE CANADIAN EXPEDITIONARY FORCE.

SECTION 1.—EXPLANATIONS.

(1) Separation allowance is a grant made by the Government of the Dominion of Canada to dependents of members of the Canadian Expeditionary Force, while such members in respect of whom it is paid, remain on the strength of that force.

(2) The object of the allowance is to assist members of the force while serving therein, providing and maintaining a home for their respective dependents.

- (3) "Allowance" within the text of these regulations means "separation allowance."
- (4) "Dependents" within the meaning of these regulations, includes,—
- (a) Wife.
 - (b) Motherless children.
 - (c) Widowed mother, if the officer or soldier is her sole support and is unmarried within the meaning of these regulations.
 - (d) Mother, deserted by her husband, if the officer or soldier is her sole support and is unmarried, within the meaning of these regulations.
 - (e) Mother, whose husband is alive but totally incapacitated from earning a living, if the officer or soldier is her sole support and is unmarried within the meaning of these regulations.
 - (f) Woman with whom an unmarried officer or soldier was living in domestic relations and publicly representing as his wife for a reasonable period immediately prior to enlistment.
- (5) "Officers" within the meaning of these regulations includes all officers and nursing sisters appointed to the Canadian Expeditionary Force and paid as members of such.
- (6) "Soldiers" within the meaning of these regulations includes all ranks, except officers, properly attested and serving on the strength of the Canadian Expeditionary Force, and paid as members of such.
- (7) "Mother" within the meaning of these regulations includes foster-mother and step-mother.
- (8) "Widowed mother" within the meaning of these regulations includes widowed foster-mother and widowed step-mother.
- (9) "Children" within the meaning of these regulations includes step-children.

SECTION 2.—GENERAL INSTRUCTIONS.

(10) The following regulations for the issue of separation allowance will be effective from the 1st day of September, 1917, for the remaining period of the War, they supersede all other regulations and enactments previously issued, and will be regarded as authoritative directions in the matter of separation allowance, subject to amendments by Order in Council.

They will have no retroactive effect other than to confirm decisions already given and action taken in accordance with them.

- (11) The rates of allowances shall be as follows:—

Rank and file.....	\$20.00 per month.
Sergeants and higher rank below that of W.O. (1st Class).....	25.00 "
Warrant officers (1st Class).....	30.00 "
Lieutenants.....	30.00 "
Captains.....	40.00 "
Majors.....	50.00 "
Officers of field rank higher than that of major...	60.00 "

- (12) No person shall receive more than one allowance for his or her own benefit.

(13) Only the one allowance may be issued on account of any officer or soldier, and that will be paid to and for his dependent. In exceptional cases, however, as for instance when there is a wife in one locality and children by a former wife in another, the allowance may be divided.

(14) Soldiers on whose account separation allowance is issuable, must assign to the recipient not less than fifteen days' pay of rank, (working pay and field allowance excluded). In cases where no such assignment has been made, but where it has been decided that the dependent is entitled to separation allowance, a compulsory assignment of fifteen days' pay of rank (working pay and field allowance excluded) may be put in force against the account of the officer or soldier. In cases where a compulsory assignment is put in force against an officer or soldier, the officer or soldier will be notified forthwith of the action taken. Should he object and submit reason for his objections, it will be decided whether the compulsory assignment shall be continued or not.

SECTION 3.—CASUALTIES TO THE OFFICER OR SOLDIER.

(15) If the officer or soldier is in receipt of a salary from the Dominion or Provincial Government during his service with the Canadian Expeditionary Force, no separation allowance will be paid on his account, unless the salary in question is less than the rate of separation allowance, in which case the difference will be paid.

(16) Subject to corresponding increase of assigned pay separation allowance will increase automatically with promotion, provided that such promotion has been confirmed and published in Part II Daily Orders, quoting competent authority, but promotion to acting rank will not be accepted as a reason for increase of separation allowance. Such increase will take effect from the first day of the month following that in which promotion was confirmed.

(17) The rate of separation allowance will not be reduced when an officer or soldier voluntarily reverts to lower rank in order to proceed overseas from England to the front, but upon a reduction or reversion for any other cause, the rate of the allowance will automatically decrease to the rate authorized for such lower rank. Such decrease will take effect from the first day of the month following that in which such reduction or reversion was confirmed.

(18) In the cases of officers and soldiers who die while serving, or who are reported "missing" and whose dependents are in receipt of separation allowance, separation allowance shall continue to be paid monthly thereafter at the rate laid down in clause (a) below, and assigned pay shall continue or begin to be paid at the rates laid down in clause (b) below, until such time as pension is ready for issue, in cases where a pension is to be awarded. In cases where no pension is to be awarded, separation allowance and assigned pay shall cease as soon as the S.A. & A.P. Division has been notified of the fact that no pension is to be awarded. If the proofs necessary to the granting of a pension are being unreasonably delayed, the Board of Pension Commissioners will so advise the S.A. & A.P. Division, with a view to having payments cease. Provided that in no case shall separation allowance and assigned pay be issued for more than three months after the first day of the month following that in which the officer or soldier was officially reported dead.

- (a) The rate at which separation allowance shall be paid in the above cases will be that to which the officer or soldier was entitled at the time of his death or when he was reported "missing."
- (b) Assigned pay will be paid monthly at a rate equal to fifteen days' pay of rank of the officer or soldier (working pay and field allowances excluded).

SECTION 4.—WITHDRAWAL, CESSATION AND SUSPENSION.

(19) The allowance will be discontinued to a dependent who is, owing to serious misconduct, unworthy to receive it.

(20) Except as provided in paras. 21 and 22, the allowance, if otherwise issuable, will not be withheld for periods for which the officer or soldier forfeits pay.

(21) The allowance will be suspended if the soldier on whose behalf it has been issued, is sentenced by any properly constituted authority to imprisonment for a period of six months or over. The allowance will be resumed from the date on which the soldier again commences to draw pay after the completion of his sentence.

(22) Payment of the allowance will be suspended upon the officer or soldier reported absent without leave, and the account will be closed from the date on which it was suspended upon the officer or soldier being declared illegally absent by a court of inquiry.

(23) If the officer or soldier rejoins, payments suspended under the provisions of the foregoing paragraph may be resumed from the date on which he again comes on pay.

(24) Dependents of officers and soldiers reported "prisoners of war" will continue to draw the allowance as if the officer or soldier were still on active service.

(25) When an officer or soldier is discharged without pension, separation allowance and assigned pay may be continued to the dependent to the end of the month in which the officer or soldier is discharged.

SECTION 5.—WIVES AND LEGITIMATE CHILDREN.

(26) The allowance may be issued in favour of such motherless legitimate children as, in the case of boys, are under the age of 11, and, in the case of girls, under the age of 17.

(27) When the allowance is claimed by an officer or soldier for his motherless children, a guardian of the children should be named in writing by the officer or soldier for the purpose of receiving the allowance.

(28) The allowance will not be issued for dependent who are maintained in a Dominion or provincial institution at the expense of the Dominion or provincial government.

(29) Where a wife is separated from her husband by written separation agreement or a judicial decree of "separate from bed and board" or other similar judicial decree, parting her from her husband, and is entitled under such agreement or by order of a competent court to payments from her husband such payments shall be made from separation allowance issued to her, and if the separation allowance does not equal the amount so agreed upon or ordered to be paid by the court, a compulsory assignment of pay, equivalent to the difference between the separation allowance and such payments, but not exceeding 15 days' pay of rank (working pay and field allowance excluded), of the officer or soldier, may be put into effect against the officer or soldier.

(a) Where the wife is separated from her husband as above and is living apart from the children and is not charged with their care, separation allowance or assigned pay or a portion thereof, subject to any valid claim of the wife by virtue of separation agreement or judicial decree, may be issued to the guardian of the children.

(b) If the wife has been separated from her husband by separation agreement or judicial decree, and it does not appear that the husband is absolved from supporting her and if the wife furnish a satisfactory explanation for not having obtained a judgment for alimony, separation allowance may be issued to the wife.

(30) Where the separation is not by virtue of a written separation agreement or judicial decree, and the wife for a reasonable time prior to the enlistment of the officer or soldier, was separated from him and was not in receipt of any payments from him, no issue of separation allowance will be made.

SECTION 6.—OTHER DEPENDENTS.

(31) "Unmarried officers and soldiers" will be held to include "widowers" without children, and will also include married officers and soldiers, provided no separation allowance is issuable to their wives or legitimate children.

(32) A mother, whose husband is, through physical or mental disability, entirely incapacitated from earning a living, or who has deserted her and has not been supporting her for a reasonable length of time, will be treated as a widowed mother and granted the allowance, provided the officer or soldier, prior to enlistment, was, or, subsequent to enlistment, has become her sole support, and the officer or soldier is "unmarried" within the meaning of para. 31.

(a) Any material improvement in the financial condition of a mother receiving the allowance, as a widowed mother, must be at once communicated to the officer issuing separation allowance and assigned pay and the withholding of such information whereby payments have been obtained shall be deemed to constitute fraudulent action.

(33) If otherwise eligible, a widowed mother depends on two unmarried sons, one of whom has enlisted in the force, will be entitled to the allowance when the remaining son enlists: and a widow with three or more unmarried sons, on whom she is dependent, will be entitled to the allowance when a third son has enlisted.

(34) The allowance to a widowed mother will cease upon her re-marriage, or upon the marriage of her son, in respect of whom the allowance had been granted.

(35) A woman who has been living with an officer or soldier, who is unmarried within the meaning of para. 31, and publicly represented by him as his wife, and has been regularly supported by him on a bona fide domestic basis for a reasonable time prior to enlistment, and the children of the officer's or soldier's household permanently maintained by him, will be entitled to the allowance.

(36) The allowance may be granted for such adopted children of an officer or soldier as are, in the case of boys, under the age of 16, and in the case of girls, under the age of 17, provided such children have been regularly supported by the officer or soldier.

(37) Separation allowance shall not be issued in respect of a nursing sister who is herself in receipt of separation allowance as a dependent.

SECTION 7.—PROCEDURE FOR MAKING CLAIMS.

Claims on Enlistment.

(38) On appointment, every officer, and on enlistment, every soldier, claiming separation allowance for a dependent shall report to the paymaster of his unit, and fill out a separation allowance and Assigned Pay card M.F.W. 30. All applications for the allowance on the grounds of "sole support" and as "guardian" must be accompanied by a statutory declaration and such documentary evidence as may be required to substantiate the claim.

(39) A soldier who has a dependent, but considers such dependent not eligible for separation allowance, under these regulations, will be required to deliver to the paymaster of his unit a statement under oath of the reason why he considers such dependent not eligible for the allowance. Otherwise, if such dependent will make a claim for separation allowance, it will be taken for granted that the officer or soldier knows no valid reason why the allowance should not be granted and a compulsory assignment put in force against him.

(40) Where the claim for separation allowance under para. 38 is refused as inadmissible, the amount of pay assigned by the soldier will be paid to the person named, unless it appears that the soldier has a dependent eligible for separation allowance, in which case separation allowance may be granted to such dependent, and a compulsory assignment may be put into force against the soldier in favour of such dependent. In such case the soldier will be informed of what action has been taken by the department, and a similar notification will be sent to the dependents concerned.

Claims after Enlistment.

(41) An officer or soldier intending to marry must inform his paymaster of his intention to marry, a sufficient length of time in advance of the marriage, to allow steps to be taken to discontinue the issue of any separation allowance or assigned pay previously authorized for another dependent on his account. He will, at the same time, state whether any such issue of separation allowance or assigned pay has been authorized, and if so, to whom.

In such cases if separation allowance or assigned pay has previously been authorized for another dependent, the paymaster will at once take steps to have it discontinued. The issue to the wife shall not commence until the issue to the other dependent has ceased which should be at the end of the month in which the marriage has taken place.

(42) As soon as the marriage has taken place, upon the production to the paymaster of the marriage certificate, a notification showing the date and place of marriage and the wife's full name and address will appear in Part II Orders, and a Separation Allowance and Assigned Pay card will be completed by the officer or soldier and delivered to the paymaster. The latter will satisfy himself that the wife of the soldier is of good character before any action in respect of payment is taken. If there is any doubt in the matter, the fullest inquiry is to be made by the paymaster and a report sent to the officer issuing the separation allowance and assigned pay.

(43) An officer or soldier who has not, on enlistment, claimed separation allowance for a dependent may afterwards submit a claim through his paymaster.

(44) In the cases of dependents other than wives and legitimate children, unless the application for separation allowance is made within thirty days of appointment or enlistment no arrears of the allowance will be issued for the period prior to application.

Pensions and Allowances.

P.C. 2999—October 22, 1917.—His Excellency the Governor General in Council, on the recommendation of the Minister of Finance, and under all powers and authorities enabling him, is pleased to enact and make and doth hereby enact and make the following regulations, and is pleased to prescribe and doth hereby prescribe the rates in the schedules herewith, respecting pensions and allowances to be granted to officers, non-commissioned officers and men disabled or partially disabled while serving in the military and naval forces of Canada, or to the dependents of such officers, non-commissioned officers and men should they be killed or die on or as the result of active service:—

1. Section 11 of the Order in Council of the 3rd day of June, 1916 (P.C. 1334), making regulations respecting pensions to officers and men disabled or partially disabled or to their dependents should they be killed or die on or as the result of active service, is hereby amended to read as follows:—

11. The Commission shall have the power to entrust to a reputable person for administration the pension or other grant to any pensioner or beneficiary when the Commission is satisfied that it is being improvidently expended by the pensioner or beneficiary, or that the pensioner or beneficiary is not maintaining the members of his family to whom he owes the duty of maintenance. The expense of such administration, if any, shall be borne by the Crown.

2. Sections 12, 13 and part of Section 15 of the said Order in Council of the 3rd day of June, 1916, are hereby struck out and replaced by the following section and schedules:—

12. In the case of disabilities, pensions to members of the forces and allowances to their children shall be paid at the rates set forth in Schedules A and B appended hereto. There shall be twenty classes of pension on account of disability, and each member of each class shall be awarded pension in direct proportion to his partial or total disability. Members of the forces permanently disabled to a less degree than five per cent shall be entitled to a gratuity not exceeding one hundred dollars.

3. Section 14 of the said Order in Council of the 3rd day of June, 1916, is hereby amended to read as follows:—

14. To those up to and including the rank of sub-lieutenant (naval) or lieutenant (militia) who are totally disabled and who, in addition, are helpless so far as attending to their physical wants is concerned, a further allowance may be made of an amount not exceeding three hundred dollars a year, but such special allowance shall be subject to review from time to time. This allowance may in the discretion of the Commissioners be awarded to any totally disabled pensioner although such pensioner is not entitled to a Class 1 pension.

4. Section 15 of the said Order in Council of the 3rd day of June, 1916, is hereby amended to read as follows:—

15. In addition to the personal pension, annual allowances for children in accordance with Schedules A and B appended hereto, shall be paid to disabled pensioners. If the children for whom allowances are being paid do not live with the pensioner, the allowances for them may be paid to a guardian. The words "child" or "children" in this section and in sections 16, 17, 18, 19, 24 and 25 shall include a step-child and also a child in respect of whom the member of the forces was *in loco-parentis*, but in either case only if the relationship had existed before the disability of the member of the forces.

5. Section 16 of the said Order in Council of the 3rd day of June, 1916, is hereby amended to read as follows:—

16. If a member of the forces has been killed, or has died as the result of injuries or disease contracted or aggravated while on active service, the widow, provided she was married to a member of the forces at the time his disability was received, contracted or aggravated while on active service, shall be entitled until re-marriage to the pension set forth in Schedules C and D appended hereto, and she shall also be entitled to draw allowances for children at the rates set forth in Schedules C and D appended hereto. If the children do not live with the pensioner the allowances for them may be paid to a guardian. On the re-marriage of the widow her pension shall cease, but she shall be entitled then to a gratuity of an amount equivalent to one year's pension. The word "re-marriage" in this section and in sections 18, 22 and 24, shall include the co-habiting with a man in the relationship of man and wife, but no gratuity shall be paid except in the case of legal re-marriage.

6. Section 17 of the said Order in Council of the 3rd day of June, 1916, is hereby amended to read as follows:—

17. If a member of the force who has been killed or has died as the result of injuries received, or disease contracted or aggravated while on active service, was a widower but leaves a child or children, such child or children shall receive an allowance of \$16 per month each. In the case in which a member of the forces was not a widower but leaves a widow whose whereabouts is unknown, the children shall be entitled to an allowance of \$16 per month each until the reappearance of the widow. If the widow reappears the pension to which she is entitled for the period between the date on which pension is granted to the children and the date on which pension is granted to her, shall be decreased by the amount which the children have received in excess of what they would have received had the widow been pensioned.

7. Section 20 of the said Order in Council of the 3rd day of June, 1916, is hereby amended to read as follows:—

20. No pension or allowance shall be paid to a member of the forces or any person dependent upon him when the disability or death in respect of which the claim is made was occasioned by the intemperance or improper conduct of such member unless the Commission otherwise consents.

8. Section 21 of the said Order in Council of the 3rd day of June, 1916, is hereby amended to read as follows:—

21. In all cases claims by the members of forces for pensions must be made within two years of the date of the appearance of the disability in respect of which the claim is made. The time spent in hospital or on service shall not be taken into account in computing the said two years.

9. Section 22 of the said Order in Council of the 3rd day of June, 1916, is hereby amended to read as follows:—

22. A parent, or any person in the place of a parent, wholly or mainly dependent upon a member of the forces who has been killed or has died as the result of injuries received or disease contracted or aggravated while on active service, if such member of the forces was without dependent children and leaves neither a widow nor a woman within the purview of regulation 18, shall be entitled to the pension set forth in Schedules C and D appended hereto provided, however, that no such parent or person shall be entitled to more than one pension, nor shall more than one such parent or person be entitled to pension on account of one member of the forces or on account of more than one member of the forces belonging to the same family. On the re-marriage of any woman receiving pension in virtue of this section her pension shall cease but she shall be entitled then to a gratuity of an amount equivalent to one year's pension.

10. Section 23 of the said Order in Council of the 3rd day of June, 1916, is hereby rescinded.

11. The following section is hereby added to the said Order in Council of the 3rd June, 1916, as section 23:—

23. Brothers under the age of sixteen years and sisters under the age of seventeen years, wholly or mainly dependent upon a member of the forces who is killed or dies as the result of injuries received or disease contracted or aggravated while on active service, if such member of the forces was without dependent children and leaves neither a widow nor a woman within the purview of regulation 18, shall be entitled to allowances at the rates set forth in Schedules C and D appended hereto.

12. Section 24 of the said Order in Council of the 3rd day of June, 1916, is hereby amended to read as follows:—

24. If a member of the forces to whom a pension has been granted in any of the classes 1 to 5 dies, leaving a widow to whom he was married at the time of his incurring the disability in respect of which his pension was granted, or a woman occupying at said time the position of a wife within the purview of regulation 18, or leaving children to such widow or woman, such widow or woman shall be entitled until re-marriage, to pension at the rates set forth for widows in Schedules C and D appended hereto, and shall be entitled to draw the allowances for each child at the rates set forth in Schedules C and D appended hereto. If the children do not live with such widow or woman the allowance for them may be paid to a guardian. On the re-marriage of the widow or woman her pension shall cease, but she shall be entitled then to a gratuity of an amount equivalent to one year's pension. Orphan children of such members of the forces shall be entitled to allowances at the rates set forth in section 17.

13. Section 25 of the said Order in Council of the 3rd day of June, 1916, is hereby amended to read as follows:—

25. The pension to a member of the forces and the allowance to his children on account of disability shall take effect from the day following the date upon which he was discharged. The pension to the widow or parent and the allowances to the children or brothers and sisters on account of the death of a member of the forces, shall take effect (a) from the first day of the month following the month in which the member of the forces was officially reported missing or dead in cases in which separation allowances or assigned pay or both were not being paid or were discontinued on the last day of the month in which he was officially reported missing or dead, and (b) from a day to be fixed by the

Commissioners in all other cases. A gratuity equivalent to two months' pension or two months' allowances shall be paid the first month in addition to the pension and allowances to the widow and children of the member of the forces.

14. The increase of pensions, allowances or gratuities authorized by this Order in Council shall take effect from the first day of April, 1917. The remaining provisions of this Order in Council shall come into force on the first day of November, 1917, and shall be retroactive only to confirm decisions given and actions taken by the Commission.

Payment of War Claims by Insurance Companies.

P.C. 667—March 15, 1917—The Committee of the Privy Council have had before them a report, dated 3rd March, 1917, from the Minister of Finance, stating that he has received from the Superintendent of Insurance a memorandum with reference to the payment of war claims by life insurance companies in Canada, in which it is stated that on account of the difficulty experienced by the said companies in obtaining satisfactory proof of the death of enlisted policyholders reported killed in action or missing and believed to be dead, the payment of the amounts due to the beneficiaries of such policyholders is being delayed; that in some cases the companies are reluctant to accept as conclusive evidence of death the official certificates of death or presumption of death issued by the Department of Militia and Defence, and that such companies require in addition corroborative evidence from comrades or other person who have seen the body after death; that as in many cases such additional evidence cannot be produced it is probable that the payment of the claims of such policyholders will be deferred until after the conclusion of the war, and that the beneficiaries of such policyholders will be inconvenienced or injured by the said delay; that the Department of Militia and Defence has stated that the casualty records of all men whose deaths have been officially presumed, have been carefully searched, and not a single instance has been found of any man having been found to be alive in respect of whom an official certificate of death has been issued, and that therefore the precautions being taken by the said companies appear to be unnecessary; that it is undesirable to modify by legislation or regulation the provisions of existing contracts even to the extent of prescribing the form of proof which the companies shall accept as satisfactory without some provision for compensation in the event of unwarranted payments being made; and that for these reasons it is desirable that a regulation should be made by the Governor in Council under the provisions of the War Measures Act, 1914, providing that all insurance companies transacting business of life insurance in Canada shall accept as satisfactory proof of death the official certificates of death or presumption of death as the case may be, issued by the Department of Militia and Defence, and shall, on the production of such certificate, pay to the beneficiary under any policy of life insurance on the life of an enlisted soldier resident in Canada at the time of the issue of the policy or at the time of enlistment, the amount to which such beneficiary is entitled thereunder, and that in the event of such policyholder subsequently proving to be alive and the amount of the said payment not being refunded by the said beneficiary, there may be paid to such company out of the Consolidated Revenue Fund under the provisions of the *War Appropriation Act, 1916*, the amount by which the payment so made to the said beneficiary exceeds the actuarial reserve maintained by the company in respect of the said policy at the date on which the said payment is made.

The Minister concurs in the report and recommendations of the Superintendent of Insurance and submits the same for favourable consideration.

P.C. 2724—October 3, 1917—The Committee of the Privy Council have had before them a report, dated 24th September 1917, from the Minister of Finance, submitting a report from the Superintendent of Insurance recommending the amendment of an Order in Council approved 15th March, 1917, respecting the payment of war claims by life insurance companies, to better define the application of the words "company" and "companies" as used in the said Order in Council.

The Minister concurring in the report and recommendation of the Superintendent of Insurance, recommends that the said order in council be amended by providing that the words "company" and "companies," wherever they occur in the said Order in Council, shall be held to mean and include any corporation, or any society or association incorporated or unincorporated, wherever and under whatever authority incorporated or otherwise legally formed for the purpose of carrying on the business of life insurance.

The committee concur in the foregoing recommendation and submit the same for approval.

Board of Grain Supervisors of Canada.

P.C. 1604—June 11, 1917—WHEREAS by reason of war conditions, it is considered necessary to provide means whereby the grain of Canada in excess of domestic requirements may be made available for purchase by or on behalf of His Majesty's government of the United Kingdom and of the Allied Powers, and that the distribution of domestic requirements be controlled in such manner and under such conditions as will prevent to the utmost possible extent any undue inflation or depreciation of values by speculation, by the hoarding of grain supplies, or by any other means;

Therefore His Excellency the Governor General in Council, under and by virtue of the provisions of the *War Measures Act, 1914*, is pleased to make the following regulations and the same are hereby made and enacted accordingly:—

1. The Governor General in Council may appoint a board to be designated "The Board of Grain Supervisors of Canada" hereinafter called the board. Such board shall be honorary and shall consist of not more than twelve (12) members.

2. The members of the board shall be paid travelling and living expenses while actually engaged in the duties of the board but otherwise shall receive no remuneration.

3. The board shall make such inquiries and investigations as from time to time it deems necessary to ascertain what supplies of grain are now available or will be available. The board shall ascertain the location and ownership of such grain and what transportation and elevator facilities are available in connection therewith, as well as all conditions connected with the marketing and the market price of the same. For the purpose of any inquiry or investigation held by the board, the board and the several members thereof shall have all the powers of a Commissioner acting under Part One of the *Inquiries Act*.

4. The board shall have power from time to time to fix the price at which grain stored in any elevator may be purchased and the conditions as to price, destination or otherwise under which grain may be removed from such elevator and may also prescribe what grain shall be sold to millers or milling firms in Canada or elsewhere hereinafter called "millers," and what grain shall be sent to the United Kingdom and the Allied Powers and it shall be the duty of the board to issue such orders and take such action as it deems necessary to facilitate at all time the transportation and delivery of grain in excess of domestic requirements to the United Kingdom and the Allied Powers.

(a) Any price so fixed shall be subject to the approval of the chairman of the board.

(b) The board may from time to time appoint an executive committee of not less than three of its members of whom the chairman shall be one and may assign to such executive committee any duties or powers within the competence of the board.

5. The board shall have power to receive offers for the purchase of grain from millers and from the Wheat Export Company, Limited, or from any other person or body incorporated hereinafter referred to as "overseas purchasers" representing or acting for the Government of the United Kingdom or for any of the Allied Nations or for any combination of the same, and from time to time to fix the prices at which such grain shall be sold.

6. The board shall have power to take possession of and sell and deliver to millers or to overseas purchasers at the prices so fixed grain stored in any elevator, and to account and pay over to the owners thereof the proceeds of such sales after deducting all expenses connected with the taking possession, sale and delivery.

7. The board shall, as far as possible, and having regard to position and the cost of transportation fix a uniform price throughout Canada for grain of the same kind, quality and grade.

8. Notwithstanding anything in the *Grain Act* or in the *Railway Act*, the Board of Railway Commissioners for Canada shall have power to order any railway company to provide cars and other transportation facilities for handling grain and to transport as directed, grain taken possession of or owned by the board.

9. Every person shall truthfully and promptly answer any inquiry made by the board or by any person duly authorized on its behalf about any matter within its powers or duties, whether such inquiry is made verbally, in writing, by telegraph, or in any other way.

10. In this order "elevator" means and includes any terminal, country, private, public and hospital elevator, and any elevator licensed by the Board of Grain Commissioners for Canada.

11. The board, with the approval of the Governor in Council, may make any regulations it deems necessary for the purpose of fully and effectively carrying out the objects and provisions of these regulations, and in particular, but without limiting the generality of the foregoing, may make regulations:—

(a) For appointing representatives in different places in Canada for the purpose, from time to time, of making known in such localities the prices for grain fixed and other regulations or directions made by the board, and for reporting to the board any violations of any order issued by the

board or any regulations made hereunder, and generally for assisting the board in the effective discharge of its duties.

(b) To authorize the engaging of clerks, employees and assistants and the paying of their salaries;

(c) Creating offences and providing penalties in respect of violations of any order made by the board or of any regulation made hereunder.

P.C. 213—January 26, 1918—Whereas by an Order in Council of 11th October, 1917, (P.C. 2676) the exportation, except under license, of silver spruce was prohibited to all destinations abroad other than the United Kingdom, British Possessions and Protectorates;

And whereas the War Committee are informed that it is highly important to the prosecution of the war that all silver spruce in Canada suitable for the manufacture of aeroplanes should be reserved for purchase by His Majesty's Government;

And whereas it appears to the War Committee that owing to the administrative difficulties in connection with said Order in Council there is a possibility that such spruce may be exported from Canada without license unless other provision is made;

Therefore His Excellency the Governor General in Council, on the recommendation of the War Committee and under the authority of the *War Measures Act, 1914*, is pleased to make and enact the following Regulation and the same is hereby made and enacted accordingly:

1. No railway or other transportation company shall accept any shipment of silver spruce unless the bill of lading covering such shipment is accompanied by a certificate, from a well recognized lumber inspection bureau or association approved by the Minister of Customs, that such shipment contains no silver spruce suitable for use in the manufacture of aeroplanes; provided that this regulation shall not apply to shipments of silver spruce consigned to the Imperial Munitions Board.

Transfer of British Ships.

P.C. 2843—October 9, 1917—Whereas under an Act passed by the Parliament of the United Kingdom of Great Britain and Ireland entitled *The British Ships (Transfer Restriction) Act, 1915*, the transfer of British ships to unqualified persons is restricted and controlled:

And whereas by resolutions enacted by an Order of His Royal Highness in Council, dated the ninth day of March, 1915, similar legislation was enacted under the provisions of the *War Measures Act, 1914*;

And whereas by an Act passed by the said Parliament of the United Kingdom entitled *An Act to amend and extend the British Ships (Transfer Restriction) Act 1915*, mortgages and transfers of mortgages of British ships registered elsewhere than in India and the self-governing Dominions to foreigners and foreign-controlled companies are restricted and controlled;

And whereas it is desirable that similar legislation be enacted by Canada.

Therefore His Excellency the Governor General in Council, on the recommendation of the Minister of Marine and Fisheries and under and in virtue of the provisions of the *War Measures Act, 1914*, is pleased to make and enact the following regulations and the same are hereby made and enacted accordingly:—

(1) The regulations enacted by the Order in Council of the ninth March, 1915 (P.C. 505), are hereby extended so as to apply to mortgages (including transfers of mortgages) of ships made after the tenth day of August, nineteen hundred and sixteen, as it applies to transfers of ships, and shall apply to mortgages (including transfers of mortgages) and transfers of ships to foreign-controlled companies made after the tenth day of August, nineteen hundred and sixteen, as it applies to transfers of ships to persons not qualified to own a British ship.

(2) The expression "foreign-controlled company" means any corporation—

(a) where the majority of the directors, or persons occupying the position of directors by whatever name called, are not British subjects; or

(b) where the majority of the voting power is in the hands of persons who are not British subjects, or who exercise their voting powers directly or indirectly on behalf of persons who are not British subjects; or

(c) where the control is by any other means whatever in the hands of persons who are not British subjects; or

(d) where the executive is a foreign-controlled company, or where the majority of the executive are appointed by a foreign-controlled company.

A corporation shall not be deemed to be a British subject for the purposes of this section unless it is established in and subject to the laws of some part of His Majesty's Dominions or of some British Protectorate, and has its principal place of business therein.

(3) The Minister of Marine and Fisheries may require any person who is the owner or mortgagee of a British ship, or who applies to be registered as owner or mortgagee of a British ship, to furnish to him such particulars as appear necessary to him for the purpose of ascertaining whether or not that person is, or is a trustee for, or otherwise represents a foreign-controlled company, and in the case of a corporation, may also require the secretary, or any other officer of the corporation performing the duties of secretary to furnish those particulars.

If any person fails to supply such particulars as it is in his power to give when required, or furnishes particulars which are false in any material particular, he shall be guilty of a misdemeanour.

Where, after the passing of these regulations, any person who is the owner or mortgagee of a British ship ceases to be a British subject or becomes a foreign-controlled company, that ship, or, in the case of a mortgagee of a ship, the interest of the mortgagee shall be subject to forfeiture, and the provisions of Part 1 of the *Merchant Shipping Act, 1894*, relating to the forfeiture of ships shall apply thereto unless such owner or mortgagee has obtained the written permission of the Minister of Marine and Fisheries to become a foreign-controlled company.

(1) In these regulations, unless the context otherwise requires, any reference to a ship shall include a reference to a share in a ship.

(2) The said regulations made on the 9th of March, 1915 (P.C. 505), and these regulations shall have effect during the continuance of the present war and a period of three years thereafter, and section three of the said regulations made on the ninth of March, 1915 (P.C. 505), is hereby extended accordingly.

The Order in Council of the 13th October, 1916 (P.C. 2490), is hereby cancelled.

Intoxicating Liquors.

P.C. 3116—November 2, 1917—His Excellency the Governor General in Council, under and by virtue of the provisions of the *War Measures Act, 1914*, is pleased to make the following regulations and the same are hereby made and enacted accordingly:—

1. On and after the first day of December, 1917, and until the Governor General in Council has by order declared that the present abnormal conditions have ceased, no grain of any kind

and no substance that can be used for food shall be used in Canada for the distillation of potable liquors.

2. Any person violating the above regulation shall be guilty of an offence and shall be liable on summary conviction to a fine not exceeding five thousand dollars, or to imprisonment for a term not exceeding six months, or to both fine and imprisonment.

Vide Canada Gazette, vol. li, p. 1491.

P.C. 3473—December 22, 1917—Whereas the War Committee of the Privy Council reports that there is urgent necessity for conserving all the energies and resources of Canada for the vigorous prosecution of the present war;

And whereas the War Committee recommends that for the purpose of preventing waste, and for the promotion of thrift and economy, the conservation of financial resources, and the increase of national efficiency, the importation of intoxicating liquors be prohibited during the continuance of the war, and for one year thereafter,—

Therefore His Excellency the Governor General in Council, on the recommendation of the Right Honourable the Prime Minister, and under and in virtue of the provisions of the *War Measures Act, 1914*, is pleased to make the following regulations and the same are hereby made and enacted accordingly.

1. No intoxicating liquors shall be imported or brought into Canada on or after the 24th of December, one thousand nine hundred and seventeen, unless actually purchased for importation into Canada before that day and imported into Canada on or before the 31st day of January, one thousand nine hundred and eighteen, and unless evidence satisfactory to the Minister of Customs of the purchase having been so made is submitted to the said Minister.

(2) The provisions of this regulation shall not apply (a) to wine for use in Divine service; (b) to intoxicating liquor for medicinal purposes; or (c) to intoxicating liquor for manufacturing or commercial purposes other than for the manufacture or use thereof as a beverage.

2. For the purposes of these regulations, any beverage or liquor containing more than two and one-half per centum of alcohol shall be deemed to be an intoxicating liquor.

3. These regulations shall continue in force during the continuance of the present war, and for twelve months thereafter.

Vide Canada Gazette, vol. li, p. 2182.

P.C. 3484—December 26, 1917—Whereas in the regulations approved on the 22nd day of December, 1917, forbidding the importation of intoxicating liquors except in certain cases, intoxicating liquor is defined for the purposes of such regulations, as “any beverage or liquor containing more than two and one-half per centum of alcohol”;

And whereas it has been represented that this definition, permitting a larger percentage of alcohol than is allowed under the restrictive liquor legislation of the several provinces, will cause difficulty in the administration of the law,—

Therefore His Excellency the Governor General in Council is pleased to order that the said regulations shall be and the same are hereby amended to make them conform to the provincial legislation, and is further pleased under and in virtue of the *War Measures Act, 1914*, to make the following regulation and the same is hereby made and enacted accordingly.—

Section two of the regulations enacted and made on the twenty-second day of December, 1917, P.C. No. 3473, is amended by striking out the word “alcohol” and substituting therefor the words “proof spirits.”

Vide Canada Gazette, vol. li, p. 2182.

P.C. 134—January 19, 1918—Whereas by the regulations approved by Order in Council of 22nd December, 1917 (P.C. 3473) the importation of intoxicating liquors into Canada on or after 24th December, 1917, is forbidden “unless actually purchased for importation into Canada before that day and imported into Canada on or before the 31st day of January, one thousand nine hundred and eighteen”;

And whereas the War Committee of the Privy Council consider that, by reason of the uncertainties and difficulties in securing ocean transportation

under present conditions, unreasonable hardship will ensue, and that administrative difficulties will arise, unless other provision is made in respect of the exception thus made in the case of intoxicating liquors actually purchased before 24th December, 1917, for importation into Canada,—

Therefore His Excellency the Governor General in Council, under and in virtue of the provisions of the *War Measures Act, 1914*, is pleased to make the following regulation and the same is hereby made and enacted accordingly,—

Subsection 1 of section 1 of the regulations made and enacted by the Order in Council of 22nd December, 1917 (P.C. 3473) is amended to read as follows:—

1. No intoxicating liquors shall be imported or brought into Canada on or after the 24th day of December, one thousand nine hundred and seventeen, unless actually purchased for importation into Canada before that day, and actually shipped by the vendor or consignor on or before the 31st day of January, one thousand nine hundred and eighteen, and unless evidence satisfactory to the Minister of Customs of the purchase and shipment having been so made is submitted to the said Minister.

Vide Canada Gazette, vol. li, p. 2506.

P.C. 589—March 11, 1918—Whereas the War Committee of the Cabinet after review of the existing conditions due to the war, is of the opinion that it is urgently necessary to concentrate to the fullest extent the energy and resources of Canada upon work of national importance in the present emergency;

Whereas in consequence of such necessity and in the interest of national economy certain regulations were made and enacted as follows:—

By Order in Council of November 2nd, 1917 (P.C. 3116) it was forbidden to use grain, or any substance that can be used for food, for the distillation of potable liquors in Canada, on and after the first day of December, 1917;

By Order in Council of the 27th of November, 1917 (P.C. 3203), the quantity of malt manufactured in Canada, and the quantity of barley used in the manufacture of malt in Canada, were limited to the quantity of malt manufactured and barley used for the manufacture of malt during the year ended the 31st of March, 1916, except under a license to increase such quantities of malt or barley to be issued by the Minister of Inland Revenue;

By Order in Council of the 22nd of December, 1917 (P.C. 3473), of the 26th of December, 1917 (P.C. 3484), of the 19th of January 1918, (P.C. 134), of the 26th of January, 1918 (P.C. 224), the importation of liquors containing more than two and one-half percentum of proof spirits was prohibited on or after the 24th of December, 1917, save under license for certain permitted purposes, unless actually purchased for importation into Canada before the 24th of December, 1917, and actually shipped on or before the 31st of January, 1918;

Whereas laws have been passed in every province of Canada prohibiting the sale of intoxicating liquor, and such laws are now in force save in the Province of Quebec, where the prohibitory law is to go into force on May 1, 1919, and in order to make such legislation more effective it is desirable to enact regulations supplementing these provincial laws;

Whereas on the said 22nd day of December, 1917, the Prime Minister announced that the transportation of liquor into any part of Canada wherein the sale of intoxicating liquor is illegal would be prohibited on and after April 1, 1918, and that the manufacture of intoxicating liquor within Canada would be prohibited on and after a date to be determined upon further investigation and consideration of the actual conditions of the industry;

And whereas the War Committee, in order to give full effect to such declaration of policy, and in order still further to prevent waste, to promote thrift, to conserve resources, and thus to increase national efficiency, is of the opinion that regulations should be enacted prohibiting the manufacture of intoxicating liquor in Canada, and forbidding the transportation of such liquor into any part of Canada wherein the sale of such liquor is by law prohibited and the sale

of such liquor for delivery in any such part of Canada, and the delivery in any such part of Canada of liquor sold in any other part of Canada.

Therefore His Excellency the Governor General in Council, on the recommendation of the Prime Minister, and under and by virtue of the provisions of the *War Measures Act, 1914*, is pleased to make the following recommendations and the same are hereby made and enacted accordingly:—

1. In these regulations:

(a) "Person" includes any body, corporate and politic.

(b) "Province" means any province of Canada and also includes the Northwest Territories and the Yukon Territory.

(c) "Prohibited area" means any province, territory, municipality, district, county, or other area wherein the sale of intoxicating liquor is under or by any law, Federal or Provincial, prohibited.

(d) "Licensee" means a person authorized by the law of a province to sell within that province intoxicating liquor for use within that province.

(e) "Manufacturer" means a person licensed by the Minister of Inland Revenue of Canada to manufacture intoxicating liquor for sacramental, industrial, mechanical, artistic, scientific or medicinal purposes.

(f) "Intoxicating liquor" means and includes any liquor or beverage which contains more than two and one-half per centum of proof spirits.

2. No person shall make or manufacture intoxicating liquor or cause intoxicating liquor to be made or manufactured within the Dominion of Canada after the first day of April, 1918: Provided that in case the sale of intoxicating liquor of any class for beverage purposes is permitted in any province, this regulation shall not apply to the manufacture of such intoxicating liquor in such province until the thirty-first day of December, 1918: Provided further, that the provisions of the above recited Order in Council of November 2nd, 1917 (P.C. 3116), and November 27th, 1917 (P.C. 3203), shall continue to apply to any such manufacture.

3. Nothing in these regulations shall prevent a manufacturer from making or manufacturing intoxicating liquor or sacramental, industrial, artistic, mechanical, scientific, and medicinal purposes, in accordance with the terms of his license.

4. No person after the first day of April, 1918, shall send, take, transport into, or deliver in any prohibited area any intoxicating liquor or cause any intoxicating liquor to be so sent, transported or delivered.

5. No person after the first day of April, 1918, shall either directly or indirectly sell or contract or agree to sell any intoxicating liquor which is in, or which is to be delivered within any prohibited area.

6. Nothing in these regulations contained shall prevent a licensee or manufacturer from selling, sending, taking or transporting intoxicating liquor to a licensee in any prohibited area, or prevent a common carrier by water, or by railway, from transporting or carrying intoxicating liquor from any licensee or manufacturer to a licensee in a prohibited area, or prevent any intoxicating liquor from being so carried through a prohibited area, nor prevent a licensee in a prohibited area, from selling and delivering intoxicating liquor, for sacramental, industrial, artistic, mechanical, scientific and medicinal purposes, in accordance with the terms of his license.

7. If in any prohibited area there should be no licensee authorized to receive and sell intoxicating liquor for sacramental, industrial, artistic, mechanical, scientific and medicinal purposes, the Governor in Council may authorize one or more persons in such prohibited area to receive and sell intoxicating liquors for such purposes, and any person so authorized shall be deemed a licensee within the meaning of these regulations.

8. The carriage of intoxicating liquor from a licensee or manufacturer to a licensee in a prohibited area, and carriage through any prohibited area shall be only by means of a common carrier by water or by railway, and not otherwise.

9. During the time any intoxicating liquor is being transported or carried into or through a prohibited area as aforesaid, no person shall open, or break, or allow to be opened or broken, any package or vessel containing it, or drink or use, or allow to be drunk or used any intoxicating liquor therefrom.

10. The burden of proving the right to make or manufacture intoxicating liquor, or cause intoxicating liquor to be made or manufactured or to send, carry, or deliver intoxicating liquor or cause intoxicating liquor to be sent, carried or delivered into or in a prohibited area, shall be on the person accused.

11. Every person who violates any of the provisions of these regulations shall be guilty of an offence, and shall be liable on summary conviction to a penalty for the first offence of not less \$200, and not more than \$1,000, and in default of immediate payment to imprisonment for not less than three, nor more than six months, and for a second offence to imprisonment for not less than six months nor more than twelve months.

12. If it is proved upon oath before any judge of the sessions of the peace, recorder, police magistrate, stipendiary magistrate, two justices of the peace, or any magistrate having the power of authority of two or more justices of the peace, that there is reasonable cause to suspect that any intoxicating liquor is being taken, transported or carried in violation of these regulations, or is in any premises or place, and that such intoxicating liquor has been manufactured or dealt with

contrary to the provisions of these regulations, such officer may grant a warrant to search premises, or place, including any Government railway, vehicle or steamship, for such intoxicating liquor, and if the same or any part thereof is there found, to seize and bring the same before him; and when any person is convicted of any offence against any of the provisions of these regulations, the officer or officers so convicting shall adjudge and order, in addition to any other penalty, that the intoxicating liquor in respect of which the offence was committed, and which has been seized under a search warrant as aforesaid, and all kegs, barrels, cases, boxes, bottles, packages, and other receptacles of any kind whatsoever, found containing the same, be forfeited to the Crown, and such order shall thereupon be carried out by the constable or peace officer who have executed the said search warrant or by such other person as may be thereunto authorized by the officer or officers who have made such conviction.

13. These regulations shall be construed as supplementary to the prohibitory laws now in force or that may be hereafter in force in any province or territory, and shall continue in force during the continuance of the present war, and for twelve months thereafter.

Vide Canada Gazette, vol. li, p. 3126.

P.C. 733—March 22, 1918—His Excellency the Governor General in Council, on the recommendation of the Prime Minister and under and by virtue of the provisions of the *War Measures Act, 1914*, is pleased to make the following regulations amending the Order in Council of the 11th of March, 1918, P.C. 589, and the same are hereby made and enacted accordingly:—

Sale of Debentures, Securities, Etc.

P.C. 3439—December 22, 1917—Whereas it is advisable that the Canadian investment market should be conserved to facilitate the borrowing of the large sums of money that will be required for the prosecution of the war and to enable His Excellency's Government, if need be, to fully avail itself of the loaning capacity of the country for the paramount purposes of national defence, and that the impairing of the market should be prevented by forbidding the offering and sale thereon of securities for raising money for purposes the execution of which may in the public interest be postponed until peace has been restored, provision being made for the issue by the Minister of Finance of a certificate permitting the offering and sale of such securities as the said Minister shall deem proper to except from such prohibition,—

Therefore His Excellency the Governor General in Council, on the recommendation of the Minister of Finance and under the provisions of the *War Measures Act, 1914*, is pleased to enact the following regulations and the same are hereby made and enacted accordingly:—

1. It shall be unlawful within Canada, by or on behalf of any provincial, colonial or foreign government, municipality, commission, local government, institution, corporation or incorporated company, to issue, sell, offer or advertise for sale, any bonds, debentures or other securities evidencing an obligation to repay money borrowed, which may hereafter be issued by or on behalf of any such colonial or foreign government, municipality, commission, local government, institution, corporation or incorporated company as aforesaid, or any shares which may hereafter be issued of the capital stock, whether preferred or common, of any such corporation or incorporated company, or to purchase or agree to purchase any of the bonds, debentures or other securities or shares of capital stock aforesaid, unless the offering and sale thereof within Canada

shall have been first approved by the Minister of Finance by his certificate of approval in writing; provided, that nothing herein shall affect the issue, offering, advertising, sale or purchase of any bonds, debentures or securities of the Government of Canada, or the trading in any bonds, debentures, securities or shares of capital stock, heretofore issued and placed upon the market, or which shall have been originally issued and placed upon the market with the approval of the Minister of Finance evidenced by his certificate as aforesaid.

2. Any issue or sale made in contravention of the foregoing prohibition shall be deemed to be in excess of the authority of the provincial, colonial or foreign government, municipality, commission, local government, institution, corporation or incorporated company on behalf of which the same is made, and may be restrained by action at the suit of the Attorney General of Canada in the public interest; and moreover, any person issuing, selling or offering or advertising for sale or purchasing or agreeing to purchase any such bonds, debentures or other securities, or any shares of capital stock so issued, sold, offered or advertised for sale, without the certificate of approval hereinbefore required, shall be guilty of an offence, and shall be liable, on summary conviction before two or more justices under the procedure prescribed by Part XV of the *Criminal Code*, to imprisonment for a term not exceeding one year, or to a fine not exceeding five thousand dollars, or to both imprisonment and fine, in the discretion of the tribunal.

3. For the purposes of the foregoing regulations the words "sale," "sell," and "purchase," and their parts, shall be held and interpreted to include mortgaging, pledging or parting with any right or interest in consideration of money, or, as the case may be, acquiring, by way of mortgage, pledge or otherwise, any right or interest in consideration of money.

Vide Canada Gazette, vol. li, p. 2247.

P.C. 78—January, 1918—Whereas the Minister of Finance reports that he is informed that securities have been issued and sold without the certificate of approval required by the regulations enacted by the Order in Council of the 22nd day of December, 1917 (P.C. No. 3439), such issues having been made and securities sold and purchased by the parties concerned without knowledge on their part of the said regulations;

And whereas in the case of these issues there would have been no objection, in the public interest, to the granting of a certificate of approval if it had been applied for and, as the effect of the said Order is to make the securities illegal and the several parties liable to penalties, and as there may be other causes of a similar nature of which the Minister of Finance has not been advised, or which may arise in the future; it is therefore deemed desirable that the regulations should be amended and the following regulations enacted and made,—

Therefore, His Excellency in Council, on the recommendation of the Minister of Finance and in virtue of the powers in that behalf conferred by the War Measures Act, 1914, or otherwise vested in the Governor General in Council, is pleased to make the following regulations and the same are hereby made and enacted accordingly.

Regulations.

1. Notwithstanding any provisions to the contrary in the regulation enacted by the Order in Council of the 22nd December, 1917, (P.C. 3439), the Minister of Finance shall have power to give his certificate of approval for the offering and sale within Canada of any bonds, debentures or other securities or shares of capital stock referred to in said regulations after the same have been issued, offered, advertised for sale, sold, purchased, agreed to be purchased, mortgaged or pledged, or any right or interest therein has been parted with or acquired and such certificate, or proper evidence of the issue thereof, shall be conclusive evidence that the offering and sale within Canada of the bonds, debentures or other securities or shares of capital stock mentioned in such certificate was duly authorized and approved by the said Minister; and that the issuing, offering, sale, advertising for sale or otherwise dealing with such securities or shares, or any

right or interest therein, was not done in contravention of the said regulations, and did not constitute an offence thereunder.

2. The Minister of Finance may grant his certificate of approval as aforesaid with respect to any bonds, debentures or other securities or shares of capital stock referred to in the said regulations which have been or may be issued on or after the said 22nd day of December, 1917.

3. The powers conferred upon the Minister of Finance by the said regulations and by these regulations may also be used and exercised by a Minister acting for, or, if the office is vacant, in the place of the said Minister, and also his successors in such office and his or their lawful deputy.

P.C. 409—February 18, 1918—Whereas by the Order in Council of 22nd December, 1917 (*P.C. 3439*), provision was made that it should be unlawful within Canada for any corporation or incorporated company, among others, to issue or sell any bonds, debentures or other securities evidencing an obligation to repay money borrowed unless the offering and sale had first been approved by the Minister of Finance by his certificate of approval in writing;

And whereas doubt has been expressed as to the scope of the expression "debentures or other securities" in the said order;

And whereas the word "debenture" has been judicially stated to be of uncertain meaning and it might possibly be held, although that was not the intention of the order, that promissory notes and bills of exchange fell within the legal content of the expression referred to,—

Therefore His Excellency the Governor General in Council, in order to quiet doubts and to give more exact expression to the original intention, is pleased, on the recommendation of the Acting Minister of Finance, to order and it is hereby ordered that the following paragraph number 4 be added to the said Order in Council, such addition to be deemed to have been a part of the said Order in Council at the time at which the Order was passed on the 22nd day of December, 1917, viz.:—

4. The words "debentures or other securities in these regulations shall not be deemed to include promissory notes or bills of exchange.

Military and Naval Decorations.

P.C. 17—January 4, 1918—Whereas during the period of the present war there has grown up a practice which tends to bring the Military and Naval Services into disrepute and to discourage recruiting, to weaken Military and Naval discipline and to facilitate the commission of frauds, the practice, namely, of the wearing of Military and Naval uniforms and of the wearing of Military and Naval decorations and medals by persons not authorized or entitled to wear the same

Therefore, His Excellency the Governor General in Council, with a view to checking the said evil, is pleased, under and by virtue of the provisions of the *War Measures Act, 1914*, to make the following regulations and orders in lieu of the orders and regulations enacted by Orders in Council *P.C. 1931* of the 15th August, 1916, and *P.C. 1663* of the 29th June, 1917, and the same are hereby made and enacted accordingly:—

1. No person who is not an officer or man of the Militia or of the Naval Service, or an officer or man of any other Forces of His Majesty, shall wear any uniform or any articles of clothing so similar to the uniform of any corps of the Militia, or of the Naval Service or such other forces, as to be likely to cause any person to believe that such person is an officer or man of the Militia, an officer or man of the Naval Service, or an officer or man of such other forces, provided that any person who has been an officer or man of the Militia, an officer or man of the Naval Service, or of said other forces of His Majesty and is retired or has been discharged, otherwise than with disgrace, may wear his uniform when permission for that purpose, in writing, has been obtained from the officer commanding the district in which such uniform is worn, or in the case of an officer or man of the Naval Service, from the Director of the Naval Service.

2. Any person who wears uniform pursuant to any permission granted under the last preceding paragraph shall be subject to military law or naval law, and may be dealt with for purposes of discipline, as if he were attached to the staff of the district in which the uniform is worn, or borne on the books one of H.M.C. ships.

3. No person shall wear any military or naval medal, ribbon or decoration, or any mark of distinction signifying that he has been wounded in the present campaign to which he is not by law entitled, or anything worn in the same way as or so similar to any such medal, ribbon or decoration or mark of distinction as to be likely to cause any person to believe that the person wearing the same is by law entitled to wear it.

4. No officer or man of the militia shall wear his uniform when not actually on duty, without special permission, in writing, from the officer commanding the district to which he belongs. No officer or man of the Royal Canadian Navy shall wear his uniform unless borne on the books of one of His Majesty's Canadian ships or other ship of war, and no officer or man of the Royal Naval Canadian Volunteer Reserve shall wear his uniform unless borne on the books of one of His Majesty's Canadian ships, or other ship of war, or called up for drill, without special permission in writing from the Director of the Naval Service.

5. In any prosecution under this Order in Council, the onus shall be upon the accused of showing that the wearing of the uniform, articles of clothing, medals, ribbon or decoration, or mark of distinction with respect to which the charge is laid, was justified in the circumstances.

6. No person shall without lawful authority supply any naval or military uniform to any person who is not an officer or man of the Militia or an officer or man of the Naval Service, or said other forces of His Majesty.

7. Any person guilty of a violation of any of the provisions of this Order in Council shall be liable on summary conviction, under the provisions of Part XV of the *Criminal Code*, to a fine of one hundred dollars (\$100.00) or three months' imprisonment, but nothing in this paragraph shall affect the liability of such person to be prosecuted against and punished under military or naval law.

Civil Service Reform.

P.C. 358—February 13, 1918—The Committee of the Privy Council have had before them a report, dated 9th February, 1918, from the Right Honourable the Prime Minister, referring to the announcement of policy which was made public shortly after the formation of the Union Government and especially to the second article of that announcement which is in the following terms:—

Civil Service reform with a view to extending the principle of the present *Civil Service Act* to the Outside Service and thus to abolish patronage and to make appointments to the Public Service upon the sole standard of merit. The Civil Service Commission has already been directed to make a report to the Prime Minister as to the necessary steps for that purpose. Such arrangements will be subject to the existing regulations, which give preference to appointments to returned soldiers who are duly qualified."

The Prime Minister observes that immediately after the announcement of this policy directions were given to each department of the Government that patronage lists in every such department should be thereafter abolished.

The Prime Minister further observes that shortly before the announcement of policy above mentioned he had communicated with the Civil Service Commission and asked that a report should be prepared outlining the steps and measures which in the judgment of the Commission would be necessary for the purpose of carrying into effect the policy set forth.

The Prime Minister further observes that during his absence for about three weeks after the recent general election the subject was taken up by the Hon. A. K. Maclean at the request of the Vice-Chairman of the War Committee of the Cabinet, and the subject has been discussed by the Prime Minister and by Mr. Maclean with the members of the Civil Service Commission on various occasions up to the present time.

The Prime Minister further observes that in the opinion of the Civil Service Commission it will be necessary for the purpose of fully carrying into effect the proposal for Civil Service reform above mentioned to enact further legislation,

and they are of opinion that a new *Civil Service Act* should be prepared and submitted to Parliament at the next session if possible. They further report that they are prepared to recommend suitable legislation for the purpose indicated, and the Prime Minister recommends that they be authorized to proceed with the preparation of such legislation in order that it may be submitted to Your Excellency in Council.

The Prime Minister observes that the extension of the present *Civil Service Act* (or of similar provisions to be embodied in the proposed new *Civil Service Act*) to all branches of the Outside Service involves considerable difficulty and requires very careful consideration. The Civil Service Commission have not yet reached a conclusion as to the steps which will be necessary for bringing the employees of the Government System of Railways within the purview of such a measure and they believe that further consultation with the management of the Intercolonial Railway and with the executive heads of the railway employees' organizations will be both desirable and necessary.

The Prime Minister further observes that after numerous conferences with the Civil Service Commission, with the law officers of the Crown and with the Parliamentary Counsel, he has finally reached the conclusion that it is not competent for Your Excellency in Council either under the powers conferred by the *War Measures Act, 1914*, or by the *Civil Service Act*, to pass regulations having the force of law which would bring about the desired reforms. Pending the enactment of the legislation for that purpose it is, however, competent for Your Excellency in Council to lay down the following regulations as a matter of policy, and he accordingly submits them for the consideration of Your Excellency in Council.

The Prime Minister, therefore, recommends:—

1. Pending the enactment of the necessary legislation hereinbefore alluded to, the following rules shall be observed in all departments of the Government with respect to appointments to the public service:—

(a) In any case where the knowledge and ability requisite for any position in the Outside Service are wholly or in part professional or technical, a person shall only be appointed to such position in the manner prescribed by section twenty-one of the *Civil Service Amendment Act, 1908*, for similar appointments to the Inside Service, and no appointment shall be made under this rule to the Outside Service, or under section twenty-one of the *Civil Service Amendment Act, 1908*, to the Inside Service, unless the Civil Service Commission determines that the position is wholly or in part professional or technical.

(b) The provisions of the *Civil Service Amendment Act, 1908*, and the amendments thereto relating to appointment by competitive examination shall, except as hereinbefore provided, be observed as far as practicable in the appointment of all officers, clerks and employees in the Outside Service, and of all messengers, porters, sorters, packers, and other positions in the lower grades in the Inside Service, and appointments shall only be made to such positions after and in accordance with the results of such competitive examinations, provided, however, that the provisions of this rule shall not apply to appointments to positions in connection with the Government railways or any railway owned or controlled by His Majesty, or to any position or employment on any ship of His Majesty. Provided also that in any case where the Commission decides that it is not practicable to apply the said provisions to any position or positions, the Commission, with the approval of the Governor in Council, may take such general regulations as are deemed advisable prescribing how such appointment or appointments shall be made.

(c) Except in so far as the Commission may otherwise determine the provisions of sections eighteen and twenty-three of the said Act, shall apply to all appointments and to the employment of all officers, clerks or other employees for temporary duty as well in the Outside as in the Inside Service.

(2) Temporary employment in the Outside Service shall only be authorized for such time as the Commission deems necessary and the period for which the employment is authorized shall be mentioned in the certificate of qualification issued by the Commission, and such period of employment shall not be extended without a certificate of approval from the Commission.

(d) Promotions in the Civil Service shall be made for merit upon the recommendation of the Civil Service Commission and of the Deputy Head of the department. The Deputy Head shall in each case submit to the Commission a report in such form and containing such information as the Commission may from time to time require. No person shall be promoted unless he is to do work of greater importance and responsibility than he has hitherto done, or unless the duties of his office are such as to justify the promotion.

(e) No person shall be transferred from the Outside Service to the Inside Service under the provisions of section fifty of the Civil Service Act unless such person obtains from the Civil Service Commission a certificate, to be given with or without examination as the Commission may in each case determine, that he possesses the requisite knowledge and ability and is duly qualified as to health, character and habits.

The Prime Minister further recommends that under the powers conferred by the *War Measures Act, 1914*, and under all other powers vested in Your Excellency in Council the following regulation be enacted:

In all competitive examinations held under the *Civil Service Amendment Act, 1908*, persons who have been on active service overseas in the military or naval forces of His Majesty or of any of the allies of His Majesty who have left such service with an honourable record or who have been honourably discharged, and who obtain sufficient marks to pass such examinations, shall irrespective of the marks they have obtained, be placed in the order of merit on the list of successful candidates above all other candidates.

(2) The provisions of any statute or regulation prescribing an age limit and physical requirements with respect to any appointment in the Civil Service shall not apply to any such person if the Commission certifies that he is of such an age and in such a satisfactory physical condition that he is then able to perform the duties of the office and will probably be able to continue to do so for a reasonable period after his appointment.

The Committee concur in the foregoing recommendations and submit the same for approval.

Vide Canada Gazette, vol. li, p. 2947.

P.C. 548—March 15, 1918—His Excellency the Governor General in Council, on the recommendation of the Secretary of State, is pleased to approve and doth hereby approve of the following interim regulations, which have been framed by the Civil Service Commission, under Clause B of the Order in Council of the 13th February, 1918, *P.C. 358*, for the governance of the Civil Service of Canada, pending the adoption of a new Civil Service Act by Parliament.

1. Persons employed in a temporary capacity in the Outside Service of any department on the 12th February, 1918, who have passed the Preliminary or Qualifying Examination which formerly qualified for permanent appointment, may be considered eligible for permanent appointment in their present positions, provided that they are recommended to the Commission by the Deputy Head of the Department with the express statement that the public interest will best be served thereby, and provided that their temporary services have proved satisfactory.

2. Until regular competitive examinations are held all positions in the Lower Grade and all clerical positions in the Outside Service in any department shall be filled by the Commission. In making appointments the Commission shall as far as practicable give preference to such applicants, in order of merit, as have previously passed the Preliminary Examination or the Qualifying

Examination for the Outside Service as the case may be. In preparing lists of applicants in order of merit, returned soldiers shall be placed at the head of the list as provided in the Order in Council of the 13th February, 1918.

In the case of all persons employed who have not previously passed either of the examinations referred to, the Commission shall certify to their employment in a temporary capacity for such period as will afford those so employed an opportunity of qualifying for permanent appointment in open competition.

3. Should the lists thus established be insufficient to meet the immediate needs of the departments for permanent appointments in the various offices throughout the Dominion, the Commission, in order that the transaction of public business may not be unnecessarily retarded, will certify to the employment of persons in a temporary capacity for such period as will afford those so employed an opportunity of qualifying for permanent appointment in open competition.

4. Stenographers and typists or clerks for general work required for temporary service in any department shall be assigned by the Commission as a result of tests which shall be held from time to time, as often as required, at various centres, in order to determine the qualifications of applicants and their relative merit.

5. When the Commission is applied to for authority to employ in a temporary capacity persons whose services were engaged prior to the 12th February, 1918, the Commission, if satisfied that such persons are qualified to perform the duties required of them, shall issue the necessary certificate.

6. When employees are required on short notice in places outside of the City of Ottawa for emergency work in connection with the public service of Canada, the accredited agent or official of the department requiring such extra assistance may engage the necessary employees, and the said officer in each such case shall report to the Commission the names of the person so employed, the character of their previous occupation, the terms of their employment, by whom last employed; references; age; evidence as to character, and the rate of compensation to be paid them. No such employment shall extend beyond thirty days unless the Commission shall issue a certificate.

7. Where a department applies to the Commission for a nomination to a clerkship requiring special qualifications not covered by the Qualifying Examination above referred to or for a nomination to a clerkship or position in the higher divisions requiring special qualifications, whether, technical, scientific or otherwise, such clerkship or position shall be advertised and a selection made of the best qualified of those applying as the result of such an examination as the Commission may decide will best determine the relative qualifications of the various applicants. Where the public interest requires that such clerkship or position shall be immediately filled, the Commissioners shall certify a person for temporary employment pending a permanent appointment as a result of open competition.

8. Where the appointment is one which is to be made under Section 21 of the Civil Service Amendment Act, 1908, such position will be thrown open to competition, unless it is found that competition is impracticable or unnecessary in the public interest, in which case the Commission will expressly exempt the position from competition.

9. Where the appointment of a rural Postmaster is desired, the Commission shall, through the responsible official of the Post Office Department, institute enquiries in the locality in which the appointment is to be made, with a view to securing a suitable person, suitably located, for such position and, having made a selection and having satisfied themselves that such person possesses sufficient education to enable him to efficiently discharge the duties of the position and that he is duly qualified as to health, character and habits, the Certificate required for his appointment shall be issued. In the case of the larger post offices, where an Assistant Postmaster is employed, a vacancy in the Postmaster-

ship shall, as far as possible, be filled by promotion or transfer. Where such procedure, for sufficient reason, is considered inadvisable in the public interest, the Commission shall invite applications for the position by public advertisement and shall select from among those applying the person who, in their judgment, is best qualified for the position. For the purpose of such selection, the Commission may make such enquiries and hold such an examination or test to determine the qualifications of the persons so applying as they may deem necessary.

10. In order to provide such unskilled labour as the several departments may require, the Commission may authorize any such Department to proceed as set forth in the sixth paragraph hereof.

11. If the Commission requires the services of any officer in any Department of the Public Service of Canada in connection with any appointments to be made to the Public Service, such officer shall hold himself in readiness to co-operate with the Commission and shall place his services at the disposal of the Commission in any way or at any time.

12. The certificate of the Commission shall authorize the employment of the person in whose favour it is issued, but where the salary to be paid is to be charged to the War or other Appropriation and exceeds the limits fixed by the Civil Service Act, the authority for the payment of such salary must be obtained from the Governor in Council.

Utilization of Human Energy.

P.C. 815—April 4, 1918—Whereas it is necessary to enact such regulations as will utilize to the best advantage the human energy of Canada for purposes essential to the prosecution of the present War;

And whereas the need of men of military age to provide reinforcements for the Canadian Expeditionary Force, and the equally urgent need for labour to assist in the production of food and of other articles essential for war purposes, necessitate special provisions to the end that all persons domiciled in Canada shall, in the absence of reasonable cause to the contrary, engage in useful occupations under the regulations hereinafter set forth;

Provided further that this reservation shall not be held to take away or impair existing rights on the part of any other person or persons by virtue of applications made or notices given under the provisions of the *Dominion Lands Act* and the amendments thereto, up to the date at which this reservation becomes effective, and where the acquirement of such rights is thereafter established by satisfactory evidence, the land affected thereby, if already reserved, may be withdrawn from the reservation.

2. That throughout Manitoba, Saskatchewan and Alberta south of the blue line shown on the accompanying maps marked "A" "B" "C" and "D" as being the northern limit of lands suitable for soldier settlement a special inspection shall be made of lands held under entry where the duties may be in default and which are not already the subject of cancellation proceedings, such inspection to be done by the homestead inspection staff of the Department of the Interior, the expense thereof to be defrayed by the Soldier Settlement Board. The report of the inspector shall show the duties performed in each case and the character of each quarter-section as to whether it is suitable for soldier settlement, and shall give full information as to any special circumstances affecting the entrant.

3. That if the report of the homestead inspector shows that the duties are not being performed in connection with an entry above referred to, the usual sixty day notice provided for by the Dominion lands regulations be issued to the holder of the entry requiring him to show cause why his entry shall not be cancelled, and in the event of cancellation ensuing, either as the result of such proceedings, or by reason of abandonment, the land shall be reserved for the purposes of the *Soldier Settlement Act*, if shown to be suitable for that purpose. Provided that any rights which may have been established under the *Dominion Lands Act* or regulations thereunder, prior to the receipt by the local agent of Dominion lands of instructions to reserve, shall not be interfered with.

4. That with respect to Dominion lands anywhere in Manitoba, Saskatchewan, Alberta, or the Railway Belt, or Peace River Block of British Columbia outside of the tracts specially set apart by Paragraph 1 of this Order, in any case where a person entitled to the benefits of the *Soldier Settlement Act* applies for a vacant and available quarter-section or other parcel available for single homestead, the Minister may, at the request of the Soldier Settlement Board, declare the parcel so applied for to be reserved land within the meaning of Sub-section 3 of section 4 of the *Soldier Settlement Act*. Where the Soldier Settlement Board makes request under the *Soldier Settlement Act* for the reservation of parcels of Dominion lands, such request shall be dealt with as the circumstances may warrant and the Minister may in his discretion declare that lands so applied for are reserved within the meaning of the subsection already referred to. Provided that within all such additional reservations made under the authority of this order, a "settler" as defined by the *Soldier Settlement Act* may exercise his or her ordinary homestead right.

5. Any reservation made as herein provided may be cancelled in whole or in part upon advice being received from the Soldier Settlement Board that the land affected is no longer required for Soldier Settlement.

PROCEDURE FOR OBTAINING LOAN.

ESTABLISHING RIGHT AS "SETTLER."

Preliminary Information Form.

4. Any person deeming himself qualified as a settler, and wishing to apply for a loan shall submit to the Board such information as will enable the Board to determine that he is one to whom the Act applies. This information must be given on the Preliminary Information Form supplied by the board, blank copies of which may be obtained on application to the Soldier Settlement Board, Ottawa, or to any of its local representatives, who, if so desired, will assist the applicant in filling out the form.

Local Representatives.

In the provinces of Manitoba, Saskatchewan and Alberta, and in the Railway Belt of British Columbia, the agents of Dominion Lands shall act as local representatives until otherwise decided by the board. Local representatives shall have only the duties and powers specially assigned to them under these regulations.

Discharge papers.

5. In the case of an applicant who has served in the Canadian Expeditionary Forces, the board will consult the Militia Department concerning his standing; in all other cases the applicant must forward his certificate of honourable discharge (registered mail only is advised for this purpose), or a copy thereof certified by a local representative or by a notary public duly qualified and acting, or such other evidence as may be necessary in order that the board may pass upon his status.

Attestation as to right.

6. Upon an applicant's right as a settler being satisfactory established, a statement in the form of an "attestation" of such right signed by the chairman of the Board shall be issued to such applicant. Such "attestation" shall not be transferable and must be presented and surrendered when formal application for a loan is made.

APPLICATION FOR LOAN.

Personal appearance of applicant.

7. Upon being informed by the board that he is entitled to become a settler under the Act, the applicant must appear personally before a Local Representative of the board to make his formal application for a loan.

Nature of information to be given.

8. The applicant must be prepared at this time to give complete information regarding the title to the lands which he contemplates farming; the description of the said lands and of any other lands which are proposed to be given as security; the encumbrances which must be removed before a first mortgage can be given; whether the mortgagee, if any, will consent to the paying off of the mortgage, and if so, at what date; the items in detail for which he contemplates expending the advances made by the board; the particulars with respect to any security other than first mortgage or first lien upon lands, which he can offer to the board; and such other details, references and information as may be required by the local representative.

9. An application shall be made in duplicate on a form prepared by the board. It shall set out distinctly and definitely the purpose for which the loan is required. It shall be filled in by the local representative after carefully questioning the applicant and shall be signed by the applicant after having the same read over and explained, and shall be witnessed by the local representative.

Form of application.

INSPECTIONS AND APPRAISALS.

10. The Local Representative shall place one of the duplicate copies of the application on his files, and shall forward the other copy to the supervisor of loans for the District, who shall be appointed by the board for the purpose of passing on all matters concerning loans in the jurisdiction allotted to him. The local representative shall also promptly notify an inspector appointed by the board for the purpose of making inspections and appraisals in his locality, concerning the application, and shall ask for an inspection and report thereon.

Local representative to notify inspector.

11. The inspector shall in every case visit the land which is to be given as security for the loan, but shall not confine himself to this source in supplying the information required by the board. He shall accept only the best information obtainable from all available sources, and should supplement the information called for on the forms whenever, in his opinion, it would aid the supervisor of loans for the district or the board in arriving at a just conclusion upon the desirability of making a loan or upon the amount which may be loaned. He shall make his investigation and appraisal as soon as possible after being notified by the local representative, and shall file his report in duplicate promptly after completing his investigation.

Appraisal and report.

12. The local representative shall attach to the inspector's report in duplicate his observations and recommendations and shall forward one copy of the said inspector's report together with his observations and recommendations to the supervisor of loans for the district, retaining the other copy on his files.

Report forwarded to Supervisor of Loans.

APPROVAL OF LOANS.

13. Applications for loans may be approved or refused by the supervisor of loans for the district, or by a member of the board or by such other person, or in such other ways as the board may determine. The supervisor of loans may, if he deems it advisable, reserve his decision upon any application and refer the matter to the board, or to a member thereof. The approval shall be in writing over the signature of the officer approving, and shall specify the total amount of the advance deemed sufficient for the settler's present requirements, the purpose or purposes for which the advance may be expended, and any other terms or conditions which the said officer may deem expedient.

Supervisor may approve or refuse.

MORTGAGE OR CHARGE.

14. All charges upon Dominion lands and all mortgages upon other lands shall be in such form as the board may prescribe. Said charges and mortgages may, if the board so decide, take the form of a blanket encumbrance to cover advances made from time to time by the board as may be deemed necessary to accommodate the needs of the settler up to the maximum amount specified, but subject to the condition always, that all advances after the first will be dependent upon satisfactory progress in improving and cultivating being made by the settler.

Blanket form of encumbrance may be issued.

CONDITIONS RESPECTING LOANS.

SECURITY.

15. The amount which may be loaned to any settler will in every case be dependent upon the security which he can give; which must be sufficient, in the opinion of the Board, to justify the loan when judged by the agricultural productiveness of the land and by the commercial value of any other security, and must in all other respects meet the requirements of the board.

20. Every loan made to a settler in respect of Dominion lands shall be subject to the condition that the settler shall fulfil the cultivation and residence duties prescribed by the Act and regulations governing his entry, and in addition thereto, he shall in each and every year after the said duties have been fulfilled, and until his loan is repaid in full, perform such residence and cultivation duties as may be prescribed by the Board.

1. That the Lessee will pay all rental herein reserved at the time and in the manner in these presents set forth without any abatement or deduction whatever.

2. That the Lessor will pay or cause to be paid all rates, taxes or assessments of whatsoever description that may at any time during the existence of these presents be lawfully imposed or become due and payable upon or in respect of the demised premises or any part thereof.

3. That if the Lessee at any time during the continuance of this lease shall determine it necessary for the purposes of the Lessee to have new connecting tracks at the junction of the Lessor's line of railway with the International Railway or with the National Transcontinental Railway, or at both points, or necessary to have an interchange track with the Canadian Pacific Railway, together with such interlocking appliances as may be necessary, the location of such connecting and interchange tracks and of such interlocking appliances as are to be constructed upon the

demised premises, or upon other lands of the Lessor, shall be mutually agreed upon by the parties hereto subject to the necessary approval of legislative or other authority having jurisdiction over the Lessor. The cost of all such new construction including the interlocking appliances shall be at the sole cost and expense of the Lessee, and the Lessee at its pleasure during the continuance of this lease, or at the termination thereof, may remove such new construction including such interlocking appliances, but shall restore the tracks, towers and interlocking appliances, of the Lessor to their original condition and leave the same in the same proper condition for operation as they now are, ordinary wear and tear excepted; provided however, that the Lessor at the termination of the lease may at its option elect to purchase from the Lessee all new construction or any part thereof on the demised premises or appurtenant thereto, including interlocking appliances, at a price to be mutually agreed upon between the Lessor and the Lessee or his duly authorized representatives, and in event said parties are unable to agree upon the price at which the Lessor may take over such new construction including interlocking appliances, the price to be paid by the Lessor to the Lessee shall be determined by arbitration, such arbitration to be conducted in the manner hereinafter in this instrument set forth.

Nothing in this clause shall operate or be held as releasing the Lessor from paying an equitable proportion (to be determined by the parties hereto) of the cost of constructing, also maintaining such facilities at the junction between the Canadian Government Railways (National Transcontinental Railway) and the Lessor, as in the judgment of the parties hereto may be required from time to time to facilitate the interchange of traffic between the parties hereto.

4. That if a connecting or interchange track be made with any railway or railways other than the International Railway or the National Transcontinental Railway, the Lessee shall not of its own accord route or in any way canvass, assist or be a party to the routing of any traffic originating at or destined to points on the Bangor and Aroostook Railroad on the United States side of the St. John River, via such other railway or railways; but in event any such traffic should be routed or transported via any such other railway or railways, the Lessee will not accept a lower charge than three dollars (\$3.00) for each car switched in either direction over that portion of the tracks forming part of the demised premises which may be used for such switching movement, such charge of three dollars (\$3.00) per car to include the movement one way of an empty car; but in the event that complaint is made to the Board of Railway Commissioners for the Dominion of Canada in connection with any such charge or charges,

the determination of said Board with reference to such charge or charges shall be final and binding upon both parties hereto, subject to rights of appeal from any decision of such Board.

5. That the entire operation and maintenance cost of the tracks and interlocking appliances demised and leased to the Lessee and the additional tracks and interlocking appliances constructed by the Lessee as in this lease provided, shall be borne by the Lessee.

6. That it is understood and agreed between the parties hereto that in the event of the Lessee transferring the International Railway or the National Transcontinental Railway by lease or sale or by other arrangements as to operation thereof, then and in any such case these presents may be terminated by either party upon sixty days notice in writing to the other to that end.

7. That it is understood and agreed that the Lessee shall have the right and privilege to use the demised premises under this lease for any and all desired railway purposes, and will at all times during the term thereof, at the Lessee's own cost and expense, keep up, amend, renew and maintain the demised premises and every portion thereof in good and substantial order and repair and in a thoroughly efficient working condition, and shall, upon the expiration of this lease, return the said demised premises together with the Railway appurtenances thereon and appurtenant thereto, to the Lessor in as good condition as when taken over by the Lessee under the terms of this lease, ordinary wear and tear excepted.

8. That during the term of this lease all traffic interchanged between the Lessor or Bangor and Aroostook Railroad Company, and the International Railway or the National Transcontinental Railway, shall be interchanged at the junction of the Lessor's said line of railway with the National Transcontinental Railway, but the Lessee shall not thereby be or become entitled to any increase in the rates or divisions heretofore allowed to the International Railway on interchange traffic, it being distinctly understood and agreed that such interchange at the junction of the National Transcontinental Railway shall be made upon the same terms as to rates and divisions and in all other respects as heretofore applied to and governing the interchange at the junction with the International Railway.

9. That the Lessee shall bear and pay all claims and assume and take charge of the defence of all suits, actions, complaints and proceedings brought against either of the parties hereto, upon or in respect of any cause of action arising during the continuance of this lease in connection with or by reason of the railway operations on the demised premises by the Lessee and that the Lessee shall at all times wholly indemnify and save harmless the Lessor against all

such claims and amount of judgments, costs and expenses which may be recovered in any such action, suit, or proceeding; and the Lessor shall at all times during the term of this lease protect and save harmless the Lessee in his right to use, occupy and enjoy the demised premises as in this lease provided, and the Lessor shall at all times wholly indemnify and save harmless the Lessee against all damages, costs and expenses which may be recovered in any action, suit or other proceeding based upon such use, occupation or enjoyment; and the Lessor shall be responsible for all claims for damage resulting from the operation of its trains or engines by its employees or the employees of the Bangor and Aroostook Railroad Company, in or upon the demised premises.

10. That the Lessee shall not during the said term assign, transfer or set over, or otherwise by any act or deed procure the demised premises or any portion thereof to be assigned, set over, or sublet to any Company, corporation or person whomsoever, without the consent in writing of the Lessor first had and obtained; provided however, if the Lessor shall decline to give its consent in writing to assignment, transfer or sublease of the demised premises or any portion thereof, the Lessee may file with the Board of Railway Commissioners for the Dominion of Canada a petition asking for authority so to assign, transfer or sublet, and if said Board of Railway Commissioners after notice to the Lessor and full hearing, shall find, in a writing setting forth in full reasons for said finding, that the assignment, transfer or sublease of the demised premises or any portion thereof is in the public interest, and not detrimental to the business of the Van Buren Bridge Company, or to the business of Bangor and Aroostook Railroad Company, then the Lessor forthwith shall give its consent in writing to such assignment, transfer or sublease; and provided further, that if (after a finding by said Board of Railway Commissioners that the assignment, transfer or sublease is in the public interest and not detrimental to the business of the aforesaid Companies) the Lessor shall be of opinion that the assignee, transferee or sublessee is operating or using the demised premises or any portion thereof, in a manner detrimental to the business of the Van Buren Bridge Company or to the business of the Bangor and Aroostook Railroad Company, the Lessor may file with the said Board of Railway Commissioners a petition setting forth the facts, and if, after notice to the Lessee and after full hearing, said Board of Railway Commissioners shall find that the assignee, transferee or sublessee is operating or using the demised premises or any portion thereof, in a manner detrimental to the business of Van Buren Bridge Company or to the business of Bangor and Aroostook Railroad Company, said Board shall require cancellation and termination

ation of the assignment, transfer or sublease, and thereafter this indenture shall be in full force and effect as if such assignment, transfer or sublease had not been executed.

11. That should the Lessee make default in payment as and when the same is payable of the rental hereby reserved or any portion thereof, or of any other sum payable by the Lessee hereunder, and such default continue for sixty days after demand in writing for payment shall have been made by the Lessor, or in case of the breach or non-performance of any of the covenants or agreements herein contained on the part of the Lessee, then in any such event these presents shall at the option of the Lessor forthwith be and become wholly null and void and the Lessor may forthwith re-enter into and upon the demised premises and any or every portion thereof and again have, re-possess and enjoy the same as of its former estate and interest anything herein contained notwithstanding, and shall be entitled to receive the same from the Lessee in the condition provided for in clause three hereof, and also to be forthwith paid by the Lessee any sum found to be payable under any of the terms hereof. The exercise by the Lessor of any such remedy shall however be without prejudice to any other or further remedies or rights to which the Lessor may be entitled by reason of any breach of any of the covenants and agreements herein entered into by or on the part of the Lessee.

12. That any notice to be given under this lease to the Lessee shall be deemed sufficiently given if posted in any post office in Canada or the United States in a registered envelope prepaid and addressed to the General Manager at Moncton in the Province of New Brunswick, and any notice to be given under this lease to the Lessor shall be deemed sufficiently given if posted in any post office in Canada or in the United States in a registered envelope prepaid and addressed to the Lessor at Bangor, in the State of Maine, one of the United States of America. Any notice so posted shall be deemed to have been received on the day when in the ordinary course the same would reach its destination.

13. That any difference which may arise under this agreement either as to its construction or respecting the carrying out of the same according to the true intent and meaning thereof, shall, if it cannot be amicably adjusted by the parties hereto, be submitted to arbitration in the following manner:—

The party desiring such reference shall appoint an arbitrator and give notice in writing to the other party of such appointment and of intention to submit such difference to arbitration and such other party within thirty days after receipt of such notice shall appoint in its behalf, an arbitrator, and in default of such appointment within said thirty days, an arbitrator may be appointed, on behalf of such

other party, by the Judge of the Exchequer Court of Canada, upon the application of the party desiring such arbitration after ten days notice in writing to the other party. The two arbitrators so appointed or selected shall select a third, and the award of the said three arbitrators or the majority of them, made after due notice in writing to both parties of the time and place of hearing, in the matter so submitted for arbitration as aforesaid, and after hearing the party or parties who may attend, shall be final and binding on both parties to this agreement, and the parties expressly agree to abide thereby. In case the two arbitrators first appointed fail to appoint a third within ten days after they have been appointed, then the third arbitrator may be appointed by the Judge of the Exchequer Court of Canada, on application of either party after ten days notice in writing to the other.

In case any arbitrator appointed or selected hereunder should die or refuse to act, or be unable to act through any cause whatsoever, or if for any cause whatsoever the office of any arbitrator should become vacant, then and in any such event his successor shall be appointed in the manner provided for his appointment in the first instance unless the parties otherwise agree.
